Travel Directions

From the North (M6 junction 16):

Exit the motorway and join the A500 (Queensway) towards Stoke. After approximately 8.5 miles take the slip road off the A500 (signposted Fenton and A52), do NOT go through the underpass - if you do you will have to continue on the A500 to the first roundabout and then approach from the south.

At the top of the slip road are traffic lights. Go straight across, then you will be travelling parallel to the A500. At the next set of lights turn left following signs for Ashbourne, A52 and the railway station. Now follow the local directions below.

From the South (M6 junction 15):

Exit the motorway and join the A500 (Queensway) towards Stoke. After approximately 3 miles take the slip road off the A500 (signposted Ashbourne, Stoke and A52), do NOT go through the underpass - if you do you will have to continue on the A500 to the first roundabout (above the A500) and then approach from the north. At the top of the slip road are traffic lights. Turn right, following signs for Ashbourne, A52 and the railway station. Now follow the local directions below.

Local directions (from the A500):

Immediately after leaving the slip road you will go under a railway bridge, turn left at the roundabout. Continue to follow Leek and Ashbourne, A52 signs, and railway station.

After 0.5 mile keep right at traffic lights. You are now on the A52 Leek road. Continue to follow signs to Leek and Ashbourne, you will pass Staffordshire University on your right.

After approximately 1 mile go straight on at large roundabout, remaining on the A52 Leek Road towards Ashbourne. After approximately 0.8 miles the Goodwin Group offices are seen on the left adjacent to the main road on the corner of Ivy House Road. 'GOODWIN INTERNATIONAL' is clearly visible.

Turn left up 'Ivy House Road' and Goodwin Steel Castings is on the right just before the canal bridge.
